Facilitator Profile :-

SK Tan has been involved in ICT and Education for more than 18 years. He started his career in the IT industry and holds various certifications from Microsoft, Novell, CompTIA, Compaq and more. In year 1993, he was appointed as the Executive Director of New Horizons Computer Learning Center (a computer training franchise from the USA); the world largest computer training center out of USA. SK then founded TMEduTech (M) Sdn Bhd in year 1997; delivering ICT Consultancy and Smart School projects includes Computer Software Training. Concurrently, he took up the role as the Chief Technology Officer of Sinagama IT Sdn Bhd in year 2001, in which he headed the development and implementation of e-Learning solutions. At present, SK is also engaged as a Technical Consultant to Technology Park Malaysia (IT division), Pfizer and AsiaLife.

Along the years in Training and Education, SK realized many children encounter learning difficulties. With his curiosity and determination, he began to explore the **Brain Power Development** since year 2001. He conducts extensive research and develops brain-based learning methodology incorporated with technology as an enabler for more effective, simple and fun learning.

As of today, SK is the Founder and Principal Trainer of Wonder Tree (123 Learning Center) that has been in operation for about 7 years; a unique child care center that develops children to be a **Total-Person with Brain-in-mind**. Throughout the experiences and knowledge gained, SK develops a strong passion in **empowering people to natural for optimum potential**; to develop a Total-Person in Mind/Body/Spirit via holistic approach.

SK designs and delivers Trainings/Seminars related to Brain-Based/Mind, Body and Health. He was a speaker for 2006 National Mind Mastery Convention and been invited to share his talks in IBM, Chung De Association, UTAR & Mental Literacy Movement and etc. His well-liked talks are entitled 'Brain Learning for 21st Century', 'Knowing our 2nd Brain (Spinal Cord)', 'Achieving Dreams with Mind Power', 'EasyHealth' and many others.

At present, SK is a Mind and Wellness Coach for Life Mastery Retreat (LMR) program, since year 2006. He is also engaged with several MLM organizations and Health Centers as their Consultant and Coach. His sharing does not solely based upon his personal experiences and experiments conducted over the years, but also on compilation of facts, extensive researches, proven records and statistics derived from recognized body/committee/organization and profound studies in the subject matter. SK always suggests on practices or solutions that comes in its simplest form, natural, easily applicable and adaptable by our body.
